Clubs:

Clubs Offered	Description
Monday	MATH & More – On Mondays, we will focus on Math for kids that need extra time to work on it, but for those who do not we will be playing games and doing fun activities.
Tuesday	Club Day - On Tuesdays, we will be doing different clubs this year. We will be trying something new like the cooking club-where we will learn to both bake and cook with fun spices, in stem club- we will do building challenges, science experiments, and water rockets, and art club- we will try some easy graphic design, and several fun art projects.
Wednesday	Crazy Club – Wednesdays we are all so excited to get out of school early we are a little crazy so, we have a Sports Club every Wed to burn off some energy. They will do everything from Basketball, Pickleball, Volleyball, Soccer, Zumba, and many other things.
Thursday	Loving Life – Life Skills Thursday – Our After School Club kids will be learning many skills throughout the year such as learning about electricity, critical thinking- clue live, escape rooms, science experiments, and much more.
<u>New Clubs:</u> Esports & Engineering	Esports Club -This year we are offering Esports Club Tue and Thur that will run at the same time as our after-school club. Engineering Club - On the 1st and 2nd Monday of the month we will be adding an Advance Engineering Club where they will use VRs, building Rockets, Music Engineering, and Electrical Engineering.

Students must participate in the activity provided if they plan to stay for after-school clubs. I authorize my child to participate in the following afternoon sessions:
